Does the current construction plan differ from what was submitted to IDEM? yes no
(circle one)

If yes, in accordance with 327 IAC 15-15-5(g), any change in information submitted in the notice of intent (NOI) should be reported immediately to IDEM. Changes that are reasonably expected to alter the characteristics of the discharge from the operation regulated under a general permit rule must be reported prior to the change. Additionally, 327 IAC 15-15-5(h) states when a permittee becomes aware that incomplete or incorrect information was submitted with the NOI to IDEM, the permittee must submit the complete or correct information to IDEM upon discovery of the omission or error. 327 IAC 15-15-7(c) states construction may not begin until written notification from IDEM that the NOI contains all required information and is complete. Any updates or changes in the NOI materials must be submitted to the address listed above.
